

# **Hazrat Abu Dharr al-Ghaffari**

The Tomb of Abu Zar Al Ghifari

**The tribe of Ghifar was one of the Arab Pagan tribes. It lived near al-Madina al-Munawwara (Yathrib), where the Makkan trading caravans passed. The members of the tribe of Ghifar worshipped an idol named Munat. They thought that Munat decided predestination and chance. They visited and sacrificed sheep for it.**

**One day, a poor young man belonging to the tribe of Ghifar went to Munat. He gave Munat some yogurt and began looking at it. But Munat was motionless and did not drink the yogurt. He waited.**

**A fox passed by Jundub but did not see him. The fox drank the yogurt and, in addition, it raised its leg and urinated in the ear of Munat. Still Munat was motionless. The young man laughed. He sneered at Munat. Then he criticized himself because he worshipped a dumb rock, which did not understand anything.**

**While Jundab was going back home, he remembered the words of Qais bin Saydah. He said them in Ukadh market:**

**People, hear and understand! He who lives will die! And he who dies will perish. Future things will happen. Why do I see people go and not come back? Are they satisfied with the stay there? Or have they left anything there, so they have slept?**

**Jundub looked at the blue, clear sky and at the wide desert. Then he remembered what the fox did to Munat. He believed that the world had a God greater than Munat, Hubal, al-Lat and all idols.**

**Since then Jundab bin Jundah had deeply believed in the Creator of the sky and the earth.**

# **The Sunrise**

The people of the Book (Christians and Jews) gave good news of the appearance of a new prophet whose time was about to come.

The Arab tribes reported the news. Those who sneered at the idols longed for the coming of the new prophet.

One day, a man came from Makkah and said to Jundub:

*There's a man in Makkah who says that there is no god but Allah and claims that he is a prophet.*

Jundub asked:

*Which tribe does he belong to?*

The man answered:

*He belongs to the Quraish.*

Jundub asked:

*Which tribe of the Quraish does he belong to?*

The man answered:

*He belongs to Bani Hashim.*

*What have the Quraish done?*

*They've accused him of lying. They say that he's a magician and an insane.*

The man went away, but Jundub thought again and again.

## **Anees**

Jundub thought to send his brother Anees to Makkah to get him some news about the new Prophet. Anees set off to Makkah.

Anees covered hundreds of miles.

Anees quickly came back to tell his brother:

*I've seen a man. The man orders people to do good and avoid doing evil. He invites them to worship Allah. I've seen him praying near the Ka'aba. I've seen a young man, his cousin Ali, praying besides him. And I've seen a woman, his wife Khadijah, praying behind them.*

Jundub asked:

*Then what have you seen?*

Anees answered:

*This is what I've seen. But I didn't dare to approach him because I was afraid of the Quraishi leaders.*

## **To Makkah**

Jundub was dissatisfied with what he heard. So, he set out for Makkah to know the Prophet.

When the Gheffarian young man arrived in Makkah, the sun was about to set. He went round the Ka'aba, then he sat in a corner of the Holy shrine to take rest and to think about a way to meet the Prophet (s).

**It got dark. The Ka'aba became empty of people.**

**In the meantime, a young man came into the yard of the Holy Mosque. He began going round the Ka'aba.**

**The young man saw a stranger. He came and asked him politely:**

**You're a stranger, aren't you?**

**The Gheffarian answered:**

**Yes.**

**The young man said:**

**Let's go home.**

**Jundub was following the young man silently.**

**In the morning, Jundub thanked the young man for his good hospitality. He saw him off and set out to the Zam Zam well to see the Prophet (s).**

**The hours passed. Jundub waited till it got dark.**

## **The Meeting**

**Again the young man came and went round the Ka'aba. He saw the foreign man at his place.**

**The young man said to Jundub:**

***Isn't it time to know your house?***

***"No!"* Jundub said.**

**The young man said to Jundub:**

***Come with me to the house.***

**Jundub stood up and went with him to the house, silently. The young man said:**

***I can see you're thinking, what's your need?***

**Jundub said carefully:**

***I'll tell you if you keep it a secret.***

***I'll keep it a secret if Allah pleases.***

**Jundub was relieved when he heard Allah's Name. So, he said slowly:**

***I've heard about the appearance of a Prophet in Makkah and I want to see him.***

**The young man said with a smile:**

***Allah has guided you. I'll show you his house. Follow me at a distance. When I see a suspicious person, I'll stop as if to repair my slippers. Then don't stop just go on your way.***

**The young man went on walking to our Master Muhammad's (s) house. At the same time Jundub was following him.**

## **Belief**

**Jundub came into the Prophet's house and met our Master Muhammad (s).**

**He was before a man embodying all good manners.**

**Our Master Muhammad (s) asked his guest:**

***Where's the man from?***

**Jundub answered:**

***From the tribe of Ghifar.***

**The Prophet (s) asked:**

***What's your need?***

**Jundub said:**

***How shall I become a Muslim?***

**The Prophet (s) said:**

***Islam is to say there is no god but Allah and I am Allah's Apostle.***

***What else?***

***Avoid doing evil actions. Follow good manners. Stop worshipping the idols.***

***Worship Allah only. Don't waste your money. Don't oppress people.***

**The young man believed in Allah and His Apostle very much. He said:**

***I confess that there's no god but Allah and that you're Allah's Apostle. I am satisfied with Allah as my Lord and with you as my Prophet.***

**At that moment, another great personality was born. It was the personality of the great companion Abu Dharr al-Ghifari whose full name was Jundub bin Junadah.**

**Abu Dharr stood up and said with enthusiasm:**

***By Allah, I'll spread Islam.***

**Before he left the house, Abu Dharr had asked our Master Muhammad (s):**

***Who was the young man who showed me your house?***

**The Prophet (s) answered proudly:**

***He was my cousin Ali.***

**Our Master Muhammad (s) advised him:**

*Abu Dharr, keep your Islam a secret and go back to your homeland.*

**Abu Dharr realized that Allah's Apostle was worried about him because the Quraish would kill him.**

*By Allah, I'll spread Islam among the Quraish whatever may be.*

**In the morning, Abu Dharr set off for Ka'aba, Allah's Holy House. The idols were motionless at their places. Abu Dharr was finding his way while the Quraishi tyrants were thinking about the new religion.**

**At those moments, a bold yell sounded:**

*Quraish, I confess that there's no god but Allah and that Muhammad is Allah's Apostle.*

**The idols and the hearts of the polytheists shook.**

**One of the Quraish said loudly:**

*Who is abusing our gods?*

**They rushed towards Abu Dharr hitting him a lot, until he was unconscious. Blood flowed out of his body.**

**Al-Abbas, our Master Muhammad's cousin, came in between and saved him and said:**

*Woe unto you! Do you want to kill a man who belongs to the tribe of Ghifar?*

*Don't you know that your trading caravans pass by his tribe?*

**Abu Dharr recovered and went to Zam Zam well. He drank water and washed the blood off his body.**

**Again Abu Dharr wanted to face the Quraish with his belief. He headed for the Ka'aba. He said loudly:**

*I confess that there's no god but Allah; there's no partner with him. And I confess that Muhammad is Allah's Apostle.*

**The Quraish attacked him like a pack of wolves. They hit him a lot. He fell to the ground unconscious and al-Abbas saved him again.**

## **The Return**

**Abu Dharr went to our Master Muhammad (s). The Prophet (s) looked at him sorrowfully and then said to him kindly:**

*Go back to your people and invite them to Islam.*

**Abu Dharr said:**

*I'll go back to my people and I won't forget what the Quraish have done to me!*

**Abu Dharr came back to his tribe and began inviting them to the light of Islam. His brother Anees, his mother and a half of his tribe believed in Islam.**

**The second half of his tribe said:**

*We won't believe in Islam till the Prophet comes.*

## **The Migration**

**Days, months and years passed. Our Master Muhammad (s) immigrated from Makkah to Madina. The news reached Abu Dharr and so, he and his tribe went outside the town to receive the Prophet (s) on the road.**

**In the distance, our Master Muhammad (s) appeared on the back of his she-camel, al-Qaswaa. So, Abu Dharr hurried and took the reins of the she-camel and gave good news:**

**Allah's Apostle, my brother, my mother and a lot of my tribe have believed in Islam.**

**Our Master Muhammad (s) became happy when he saw crowds of people. One of them said:**

**Allah's Apostle, Abu Dharr has taught us what you've taught him. We've believed in Islam and we've confessed that you're Allah's Apostle.**

**The second half of the tribe of Ghifar believed in Islam, too. Another tribe near the tribe of Ghifar named Aslam came, believed in Islam and confessed: We confess that there's no god but Allah and that Muhammad is Allah's Apostle.**

**Our Master Muhammad (s) said:**

**May Allah forgive Ghifar; may Allah save Aslam.**

**Allah's Apostle went on his travel to Madina (Yathrib). Abu Dharr came back to his tribe, some of them asked him:**

**Has Allah's Apostle told you anything?**

***Yes, he has ordered me to do seven things.***

He has ordered me to love the poor and to approach them. He has ordered me to look to those who are lower than me not to those who are higher than me. He has ordered me to maintain close relations with my relatives even if they turn their backs on me. He has ordered me not to ask anyone anything. He has ordered me to say the truth even if it is bitter. He has ordered me not to fear anyone in Allah's way. And he has ordered me to say often: There's neither might nor power but with Allah, because they're the treasure under the Throne.

Abu Dharr went on guiding and teaching his tribe. He was a model Muslim believer.

## **Recommend Me!**

One day, Abu Dharr came into the mosque. He found our Master Muhammad (s) alone. He sat beside him. Our Master Muhammad (s) said:

*Abu Dharr, the mosque has greetings. They're two raka'as.*

Abu Dharr stood up and said two raka'as. Then he came back and sat beside the Prophet and said:

*Allah's Apostle, which act is the best?*

*To believe in Allah, the Almighty and to strive in His way.*

*Which believer is most perfect?*

*The most polite one.*

*Allah's Apostle, which believer is safest?*

*He, from whose tongue and hand Muslims are safe.*

*Allah's Apostle, which immigration is the best?*

*To immigrate from sins.*

*Allah's Apostle, which alms is the best?*

*The alms of the poor.*

*Allah's Apostle, which verse is the best?*

*The verse of al-Kursi.*

*Allah's Apostle, how many are the prophets?*

*One hundred and twenty four thousand Prophets. Abu Dharr, four prophets are Assyrian. They're: Adam, Sheth, Idrees-the first to write with pen and Noah.*

*And four prophets are Arab. They're Hud, Salih, Shuaib and your Prophet.*

*Allah's Apostle, how many books has Allah, the Almighty?*

*One hundred and four books. Fifty scriptures were sent down to Sheth. Thirty scriptures were sent down to Idrees. Ten scriptures were sent down to Ibrahim.*

*Ten scriptures were sent down to Musa before the Torah. The Torah, the Bible, the Zaboor and the Furqaan (Qur'an) were sent down, too.*

*Allah's Apostle, what were the scriptures of Ibrahim (a)?*

*They are all proverbs:*

*"Authorized, hit, conceited King, I've not sent you to put together the things of the world. I've sent you to meet the request of the oppressed. I don't refuse it even if it is unbelievers request."*

*Allah's Apostle, what about Musa's scriptures?*

*They're all lessons:*

*"I wonder at the person who believes in death then he disbelieves.  
I wonder at the person who believes in fire then he laughs.  
I wonder at the person who believes in predestination then he becomes tired.  
I wonder at the person who sees the world and its changes then he trusts it.  
And I wonder at the person who believes in the Day of Resurrection then he doesn't act."*

**Abu Dharr wept humbly and said:**

*Allah's Apostle, recommend me!*

*I recommend you to fear Allah, for it is the head of all religion.*

*Allah's Apostle, increase me!*

*Read the Holy Qur'an. It is light for you in the earth and remembrance for you in the sky.*

*Allah's Apostle, increase me!*

*Love the poor and sit with them.*

## **On the Way to Tabook**

**Many years passed.**

**The Muslims became one nation. They had a government. They gained victory over the atheists and the Jewish enemies. The Arab tribes entered Allah's religion in groups.**

**Our Master Muhammad (s) was Allah's Apostle for all men. So, he wanted Islam to cross the Arab Peninsula to spread all over the world.**

**Our Master Muhammad (s) announced Jihad and ordered Muslims to get ready for Tabook, in the northern part of the Arab Peninsula.**

**The Muslims were surprised to hear about the Prophet's announcement and his challenge to the greatest power in the world at that time.**

**The hypocrites said:**

*Hercules will defeat them with his enormous armies.*

**The hypocrites were always holding meeting in the house of the Jewish Suailim. They were always discouraging the Muslims from going to Tabook.**

**The Prophet (s) wanted to leave Madina. He knew that the hypocrites would stay there. So, he decided to appoint his cousin Ali bin Abu Talib (a), the hero of Islam, successor over Madina to foil the hypocrites' plots.**

**The hypocrites were displeased with Ali and so, they spread among the people:**

*The Prophet has appointed Ali to stay behind because he dislikes him.*

**To show the truth to people, Ali took his sword and followed the Prophet. He found him in an area called al-Juruf outside Madina. He told him about the hypocrites' words:**

*Allah's Apostle, the hypocrites claim that you've appointed me to stay back because you dislike me.*

**Our Master Muhammad (s) smiled and said:**

*The hypocrites have told you lies. I've appointed you successor to protect Madina from their cunning plots. Ali don't you accept to be my brother as Harun was Musa's brother, but there will be no prophet after me.*

**Ali answered:**

*Yes, I accept, Allah's Apostle.*

**Ali was pleased with the Prophet's words. So, he came back to Madina.**

## **Be Abu Dharr!**

**The Prophet (s) went on leading the Muslim army across the desert. Some Muslims with weak belief stayed behind and came back to Madina.**

**Some of them said to our Master Muhammad (s):**

*A person has stayed behind.*

**But Allah's Apostle was always saying:**

*Leave him. If he does good, Allah will bring him to you.*

**At the midway, a Muslim said:**

*Allah's Apostle, Abu Dharr has stayed behind.*

**So the Prophet (s) said:**

*Leave him. If he does good, Allah will guide him to you.*

**The Muslim army went on covering the desert.**

**Abu Dharr was riding a weak camel. The camel was unable to walk. So, Abu Dharr was gradually staying behind the Muslim army. The camel kneeled. It was unable to walk even a step.**

**Abu Dharr sat sadly. He was thinking about a way to follow the Prophet (s), then he asked himself some questions:**

*Shall I go to Madina or shall I go on walking?*

**But Abu Dharr was not thinking about coming back to Madina. He was a good believer. He loved our Master Muhammad (s). Therefore, he decided to follow the traces of the Muslim army on foot.**

**Abu Dharr began covering the hot desert. He used up his food and water. Still he went on walking. His firm belief in Allah and his love for the Prophet (s) were pushing him to do that.**

**He was thirsty. He saw water in a pit in a rock. He tasted it. As he found it fresh, he wanted to drink some water. But he prevented himself from drinking. He said:**

*I won't drink till my beloved Allah's Apostle drinks.*

**He filled his water-skin with water and went on covering the desert on foot.**

**Abu Dharr was walking day and night to reach the Muslim army.**

**The Muslims army camped at strategic areas to rest at night. Then it would go on advancing towards Tabook.**

**When the sun rose on the following day, some Muslims saw a man coming in the distance. They wondered and said to the Prophet (s):**

*Allah's Apostle, that man is walking alone.*

**Our Master Muhammad (s) said:**

*Be Abu Dharr!*

**The Muslims were looking carefully. When he came nearer to them, they shouted:**

*By Allah, he's Abu Dharr!*

**The Prophet (s) saw the marks of tiredness and thirst on his face. So, he said:**

*Save him with water because he is thirsty.*

But Abu Dharr headed for the Prophet (s) holding the water-skin in order to pour water for Allah's Apostle.

The Prophet (s) asked him:

*Abu Dharr, why are you thirsty while you have water?*

Abu Dharr said,

*Allah's Apostle, I saw rain water in a pit in a rock. I tasted it. It was cool, fresh water, but I said I would not drink till Allah's Apostle drank.*

The Prophet (s) said kindly:

*Abu Dharr, may Allah have mercy upon you! You'll live alone, die alone and enter Paradise alone. Some Iraqis will be happy on account of you – they'll wash your body, shroud it, pray on it and bury it.*

## **The Prophet's Traditions**

Our Master Muhammad (s) died. The Muslims were sad. But Abu Dharr was sadder than them. He was loyal to Allah's Apostle. So, he memorized his traditions and made them a lamp to lighten his way.

Abu Dharr deeply believed in Caliphate as he believed in Prophecy. He regarded it as a Divine right. Allah, the Glorified, chose the most worthy ones of his righteous slaves. In the meantime he heard the Prophet (s) saying to Ali: *Ali, don't you accept to be my brother as Harun was Musa's brother, but there will be no prophet after me.*

At Ghadeer Khum, Abu Dharr heard the Prophet (s) saying to all Muslims: *He whose leader is I, so Ali is his leader. Allah support him who supports Ali...*

And he heard the prophet saying:

*Ali is with justice and justice is with Ali.*

We regret that some Muslims had forgotten such traditions when the prophet (s) the Prophet (s) died. While his cousin and regent Ali bin Abu Talib (a) was busy with that disaster, the Muslims held a meeting and elected Abu Bakr.

Many companions opposed that. Salman al-Farsi, about whom the Prophet (s) said: *Salman is one of us Ahlul Bait*, was one of them.

Abadah bin al-Saamit, Abu al-Haitham al Taihan, Huthaifa, Ammar bin Yasir were of them, too. Fatima al-Zahra, the mistress of all women of the world, was dissatisfied with that. She was angry.

After only few months, Imam Ali (a) was forced to accept Abu Bakr as caliph in the interest of Islam. So, Abu Dharr, the companion, accepted him too.

Abu Dharr was always thinking about the interest of Islam and Muslims. So, he went to the fields of jihad to defend the Muslim government.

In the meantime, the Romans were launching military attacks against the borders of the Muslim State. So Abu Dharr went with many companions to the war fronts to strive for Allah.

The first Caliph was Abu Bakr. The Caliph Umar bin al-Khattab succeeded him. Abu Dharr was in Shaam (Syria). He and his Muslim brothers were striving there.

Umar bin al-Khattab died. The Caliph Uthman succeeded him.

But the third Caliph did not follow the Prophet's and the companions manners. He brought his relatives and appointed them in offices of the government. He began filling their pockets with the Muslims' money. He brought Marwan bin al-Hakam, whom our Master Muhammad (s) dismissed and made him real ruler for the state.

People complained of Uthman's policy. A delegation from Kufa went to the Caliph. They told him that their ruler was always drinking alcohol and that he was always going to the mosque drunk and vomiting in the prayer niche. But the Caliph did not do anything. Rather, Marwan abused the delegation and dismissed them. Some of the Prophet's companions were with them.

One day Abu Dharr advised Uthman:

*At least follow your predecessors' way. So, no one will speak against you.*

But Uthman scolded Abu Dharr and said in the presence of the attendees:

*Advise me! What shall I do for this lying Shaikh? Shall I hit, imprison, kill or banish him from the land of Islam?*

Abu Dharr and the Muslims felt pain. They remembered our Master Muhammad's tradition:

*There's no one under the sky or in the earth more truthful than Abu Dharr.*

But the Caliph accused Abu Dharr of lying and said:

*The lying Shaikh!*

Abu Dharr sadly went out of the Caliph's meeting. He remembered what had happened to him for over twenty years. He remembered the day when Allah's Apostle entered the mosque and found him sleeping. He woke him and said:

*Never sleep in the mosque again.*

Then he said to him:

*What will you do if they send you out of the mosque one day?*

Abu Dharr said:

*I'll go to Shaam, the land of Jihad.*

The Prophet (s) said:

*If they dismiss you from it?*

Abu Dharr said:

*I'll come back to the mosque.*

Then the Prophet (s) said:

*If they send you out of it?*

Abu Dharr said:

*I'll take my sword and hit them with it.*

The Prophet (s) said:

*Shall I direct you to a better thing?*

*Yes, Allah's Apostle.*

The Prophet (s) said:

*Listen and obey.*

## **To Shaam (Syria)**

The third Caliph decided to banish Abu Dharr to Shaam. Abu Dharr arrived in Shaam. Mu'awiyah ordered his soldiers to banish him to an area in the southern part of Lebanon, now called Jabal Amil.

Abu Dharr began teaching people the Prophet's traditions and his behaviour. He condemned the rulers' corruption, their oppression towards people, their luxury.

He was always reading Allah's words:

*And as for those who hoard gold and silver and so not spend it in Allah's way, announce to them a painful punishment.*

Mu'awiyah wanted to tempt Abu Dharr with money to make him keep silent.

So, he ordered his soldiers to bring him to Damascus. In the meantime, he sent him a lot of gifts. But the great companion gave them to the poor. Then he was always passing by Mu'awiyah palace and saying:

*Allah curse those who enjoy good, but don't apply it. Allah curse those who prevent people from committing abominable actions, but they commit them.*

So, Mu'awiyah ordered his guards to arrest Abu Dharr. The guards brought him chained before Mu'awiyah. Mu'awiyah said to him with spite:

*Allah's enemy, and enemy of Allah's Apostle, everyday you pass by our palace and shout. I'll ask Amirul Mumineen, Uthman for permission to kill you.*

Then Mu'awiyah turned to his guards and said:

*Take him to prison.*

## **To Madina**

Mu'awiyah send the Caliph a letter. In the letter, he told him about Abu Dharr's action and about the gathering of the people around him.

The Caliph ordered Mu'awiyah to send back Abu Dharr to Madina and to mistreat him.

The Muslims heard the news. So, they crowded to see of the companion of Allah's Apostle.

Abu Dharr rode his she-camel. Some rude persons were leading the she-camel. They were not respecting his old age and weakness and this made him tired during his travel.

Abu Dharr arrived in Madina in a bad condition. He went to the Caliph. He was about to fall over the ground because of intense weakness and tiredness.

Abu Dharr said:

*Woe unto you! Haven't you seen Allah's Apostle? Are your actions like his? You attack me violently as tyrants do!*

Uthman intensely said:

*Get out of our homeland.*

So, Abu Dharr sadly said:

*Where?*

The Caliph said:

*Wherever you want.*

Abu Dharr said:

*Shall I go to Shaam, the land of Jihad?*

**Uthman cried:**

***No! I won't return you to Shaam!***

**Abu Dharr said:**

***Shall I go to Iraq?***

***No!***

***Shall I go to Egypt?***

***No!***

**Abu Dharr said sadly:**

***So, where shall I go?***

***To the desert!***

***Shall I go to Najd desert?***

***No! to the far-east, to al-Rabathah!***

**Abu Dharr shouted:**

***Allah is great! Allah's Apostle was truthful when he told me about that!***

**Uthman asked:**

***What did he say to you?***

**The old companion answered:**

***He told me that I would be prevented from staying in Makkah and Madina and that I would die in al-Rabathah and that some Iraqis, on their way to al-Hejaz, would bury me.***

## **Al-Rabathah**

**Al-Rabathah is an area at the eastern part of al-Madina al Munawarra.**

**Abu Dharr disliked al-Rabathah because he worshipped the idols there during the pre-Islamic period.**

**Abu Dharr liked Madina because the Prophet's Holy Shrine and Mosque were there. He liked Makkah because Allah's Holy House was there. He liked Shaam because it was the land of Jihad.**

**Abu Dharr disliked al-Rabathah because it would remind him of worshipping the idols. But the Caliph banished him to that area. In the meantime, the Caliph ordered Marwan to take him and prevent the Muslims from seeing him off.**

**The Muslims were afraid of the Caliph's power. So, only a few companions saw him off. They were Ali bin Abu Talib (a), his brother Aqeel, al-Hasan and al-Husain (the Prophet's grandsons), and the great companion Ammar bin Yasir.**

**Imam Ali (a) advanced to see him off. He said:**

***Abu Dharr, you've become very angry for Allah. The people are worried about their religion, and you are worried about your religion. So, leave what they are worried about in your hands and escape from them with what you're worried about. They're in need of what you've prevented them from. And you're in no need of what they've prevented you from. Tomorrow you'll know who will be the winner. Abu Dharr, nothing amuses you but the truth and nothing annoys you but the untruth.***

**Aqeel advanced and said:**

*You know we like you, and you like us. Fear Allah because the fear of Allah is salvation. And be patient because patience is generosity.*

**The Prophet's grandson, al-Hasan bin Ali advanced and said:**

*Uncle, be patient till you meet your Prophet (s). He will be pleased with you.*

**Al-Husain advanced and said:**

*Uncle, ask Allah to grant you patience and victory.*

**While Ammar bin Yasir was in tears, he advanced and said:**

*May not Allah amuse those who annoy you. And He may not make safe those who have dismayed you. By Allah! If you want their world, they'll make you safe. And if you're pleased with their actions, they'll love you.*

**Abu Dharr wept and said:**

*People of the House of Mercy, may Allah have mercy upon you all. When I see you, I remember Allah's Apostle.*

**Abu Dharr, his wife and his daughter went to al-Rabathah Desert. He was recalling our Master Muhammad's words:**

*Abu Dharr, may Allah have mercy upon you. You'll live alone, die alone, rise from the dead alone and enter Paradise alone.*

Is ke baad Huzoor sallallāhu alaihi wa sallam ne Aap se puchha “Tum itne dino se Makka me ho to apne khaane ka intazaam kis tarah kiya?” Aap ne arz kiya “Ya Rasool-Allāh sallallāhu alaihi wa sallam! Mere paas khaane ke liye kuchh nahi hai, magar main Zamzam peekar guzaara kar leta hu.” Jab Hazrate Abu Bakr Sideeq

radiy-Allāhu ta'ala anhu ne yeh suna to wo Huzoor sallallāhu alaihi wa sallam ko aur Abu Zar ko apne ghar par le gaye aur sukhe angoor khaane ke liye diye. Is ke baad Huzoor sallallāhu alaihi wa sallam ne Aap ko apne qabeele me waapas jaakar Islaam ki daawat dene ke liye farmaaya.

Magar Aap Ka'aba shareef par gaye aur ahle Quraish ke saamne kalma padhkar apne eimaan laane ka izhaar kiya. Kaafiro ne Aap par hamla kiya aur aap ko jakhmi kar diya. Hazrate Abbaas ibn Abdul Muttalib ne aap ko bachaaya. Dusre din aap phir se Ka'aba shareef par gaye aur Kalma padhne lage. Kaafiro ne Aap par phir se hamla kiya. Hazrate Abbaas ibn Abdul Muttalib ne Quraish ko bataaya ke "Yeh shakhs Banu Ghaffaar se hai aur wo log qaafilo ko loot lete hain. Agar hum log is shakhs ko jakhmi karenge ya maar daalenge to jab hamare qaafile bhi un ke ilaaqe se guzrenge tab salaamat nahi rahenge." Yeh sunkar kaafiro ne Aap ko chhod diya. Aap bhi ye baat samajh gaye ke in kaafiro ko abhi samjhaana bekaar hai.

Jab aap apne qabeele me waapas aaye to Aap ne Islaam ki daawat di aur aap ke pariwaar waale aur qabeele kai logo ne Islaam apnaaya. Aap kai saal tak isha'at e Islaam karte rahe. Huzoor sallallāhu alaihi wa sallam hijrat karke Madeena aa tashreef laaye us ke kuchh arse baad tak aap ki daawat se bahot badi ta'adaad me logo ne islaam apnaaya.

\*\*\*\*\*

Junge Badr, Junge Uhad aur Junge Khandaq ke waqt Aap Madeena me maujood nahi the. Is liye Aap in jungo me shareek nahi ho sake.

\*\*\*\*\*

Aap Madeena tashreef laaye aaye us ke kuchh arse baad Huzoor sallallāhua alaihi wa sallam ne Aap ko 32 oont diye aur Madeena se 12 mil door Zi Qard ke maqaam par jaakar rehne ke liye farmaaya. Aap un oonto ke lekar apni biwi Laila aur bete Zar ke saath Zi Qard jaane ke liye rawaana hue. Raaste me Ghaba me Banu Ghaftan ke ek giroh ne Aap par hamla kiya aur un oonto ko loot liya aur aap ke bete ko qatl kar diya aur aap ki biwi qaid karke chale gaye. Aap bahot mushkil se waha se bachkar nikal paaye. Kuchh ashaaba ko is baat ka pata chala to wo foran aap ki madad ke liye aaye. Unho ne un daakoo ke giroh ka pichha kiya aur phir jung karke Abu Zar ki biwi ko aazaad karaaya aur aap ke oonto ko bhi waapas laaye.

\*\*\*\*\*

9 Hijri me Aap ne Junge Tabook me shirkat ki. Jab Aap jung ke maidaan ki taraf jaa rahe the to aap ka oont aahista chal raha tha. Is liye aap islaami lashkar se pichhe reh gaye. Aap foran oont se neechे utar gaye aur oont ko wahi chhodkar apne saamaan ke saath paidal chalne lage.

Jab Aap maidaane jang ke qareeb pahunche to ashaaba ne Aap ko door se dekhkar Huzooe sallallāhu alaihi wa sallam ko kaha “Ya Rasool-Allāh sallallāhu alaihi wa sallam! Koi hamari taraf aata hua dikhai deta hai.” Huzoor sallallāhu alaihi wa sallam ne farmaaya “Woh Abu Zar hai.” Jab Aap qareeb aaye to logo ne dekha ke wo Abu Zar hi the.

Phir Huzoor sallallāhu alaihi wa sallam ne farmaaya “Abu Zar tanha safar karta hai, Woh tanha hi inteqaal karega aur Roz e mehshar woh tanha hi uthaaya jaayega.”

\*\*\*\*\*

Aap hamesha ALLĀH aur us ke Rasool sallallāhu alaihi wa sallam ki ita’at karte the. Aap ki is farmaan bardari aur mohabbat aur khidmat wa qurbaani ke jazbe se khush hokar Huzoor Rasool-Allāh sallallāhu alaihi wa sallam ne aap ko ‘Maseeh e Islaam’ ka laqab ata farmaaya.

Aap ne puri zindagi ibaadat, taqwa, sabr, qana’at aur saadgi ke saath guzaari. Aap haq baat kehne me kisi se bhi nahi darte the.

Jab Aap Madeena aa gaye tab apna zyada waqt Huzoor sallallāhu alaihi wa sallam ki khidmat me guzaarte.

Aap Huzoor sallallāhu alaihi wa sallam ke bahot qareeb the aur Aap un ashaaba me shaamil hain jin se Huzoor sallallāhu alaihi wa sallam apne raaz ki baat bhi guftagu karte. Aap kisi bhi mas’ale ke baare me Huzoor sallallāhu alaihi wa sallam se puchhte to Huzoor bahot mohabbat ke saath Aap ko jawaab dete.

Kisi mauqe par Mehfil e Nabwi sallallāhu alaihi wa sallam me Hazrate Abu Zar maujood na hote to Huzoor sallallāhu alaihi wa sallam kisi ko bhejkar Aap ko bulaate. Aur jab Aap tashreef laate to Huzoor sallallāhu alaihi wa sallam aap musaafa karke istaqbaal karte.

\*\*\*\*\*

Ek baar Huzoor sallallāhu alaihi wa sallam apne ashaaba ke saath tashreef farma the. Itne me Abu Zar Ghaffaari aaye aur behad ishq aur adab ke saath salaam pesh kiya.

Huzoor Rasool-Allāh sallallahu alaihi wa sallam apne ashaaba se farmaaya ki “Aasmaan ne kabhi kisi aise shakhs par saaya nahi kiya aur zameen par aisa koi shakhs paida nahi hua jis ki zabaan Abu Zar se zyada sachi ho.”

Hazrat Abu Zar Ghaffaari radiy-Allāhu ta’ala anhu se kai Hadees shareef marwi hain.

Un me se chand Hadees e nabawi :

(1) Ek martaba Huzoor Rasool-Allāh sallallāhu alaihi wa sallam ne farmaaya “Kya tumhe sab se bade Bakheel ke baare me bataau ke woh kaun hai?”

Sahaaba e kiraam ne arz Kiya “Ya Rasool-Allāh sallallāhu alaihi wa sallam!

Zaroor farmaa’iye.”

Huzoor sallallāhu alaihi wa sallam ne irshaad farmaaya “Sab se bada bakheel wo shakhs hai jis ke saamne mera zikr ho aur wo mujh par Durood na padhe.”

(2) Ek martaba Huzoor Rasool-Allāh sallallāhu alaihi wa sallam ne farmaaya “Aye Abu Zar! Jab tum safar ka irada karte ho to zaade raah tayyaar karte ho?” Arz kiya “Ji Huzoor.”

Farmaaya “Qayaamat ke taweel raaste ka safar kaise karoge? Aye Abu Zar! Main tumhe aisi cheez bataaun jo tum ko qayaamat ke din nafaa de?” Aap ne arz ki “Mere maa baap Aap par qurbaan, Zaroor batlaaiyye.”

Huzoor sallallāhu alaihi wa sallam ne irshaad farmaaya “Qayaamat ke din ke liye sakht garmi ke din roza rakh, qabr ki wehshat ko door karne ke liye andheri raat me do rak’at nafl padh, aham umoor e qayaamat ki hujjat ke liye hajj kar, miskeen par sadqa kar, haq baat keh aur buri baat kehne se khaamosh reh.”

(3) Ek martaba Huzoor sallallāhu alaihi wa sallam ne farmaaya “Aye Abu Zar! Eimaan ke kadon me kaun sa kadaa sab se zyada mazboot hai?”

Aap ne arz ki “ALLĀH aur us ke Rasool ziyada jaanne waale hain.”

Irshaad farmaaya ke “ALLĀH ke liye baahum ek dusre ki madad karna aur ALLĀH ke liye mohabbat karna aur ALLĀH ke liye dushmani rakhna.”

(4) Ek martaba Huzoor sallallāhu alaihi wa sallam ne irshaad farmaaya

“Jaha kahi bhi ho ALLĀH se daro, aur jab bhi Buraai ka khayaal bhi aaye to Nek kaam kar lo, Kyun ki neki buraai ko mita deti hai, aur logo ke saath achhe Akhlaaq se pesh aao.”

(5) Ek martaba Huzoor Rasool-Allāh sallallāhu alaihi wa sallam ne irshaad farmaaya

“Jo shakhs na haq kisi musalmaan ke muta’aliqu jhooti baat phailaata hai ke use zaleel o ruswa kare to ALLĀH ta’ala use qayaamat ke din zaleel o ruswa karke jahannam me daalega.”

(6) Ek martaba Huzoor Rasool-Allāh sallallāhu alaihi wa sallam ne irshaad farmaaya

“Akele rehna bure saathi se behtar hai. Aur achha saathi ki sohbat akele rehne se behtar hai aur bhalaai sikhna chup rehne se behtar hai aur chup rehna buraai sikhne se behtar hai.”

(7) Ek martaba Huzoor sallallāhu alaihi wa sallam ne irshaad farmaaya

“Jab tum khaana pakaao to us me thoda paani zyada daal do, phir apne humsaayo

(padosiyo) ke gharo par nigaah daalo aur (un me jo haajat-mand hain) unhe thoda shorbaa bhej diya karo.”

(Mukaashafatul Quloob, Baab 90)

(8) Huzoor sallallāhu alaihi wa sallam ne irshaad farmaaya  
“Ilm ki Majlis me haazir hona 1000 nawaafil padhne se afzal hai.”  
(Tafseer Rooh-ul-Bayaan, Jild -10, Safa -221)

\*\*\*\*\*

Aap ek hi jodi kapde pehante the. Kisi ne Aap se puchha ke “Aap ke paas dusre papde nahi hai?” To Aap ne farmaaya “Mere paas 2 jodi kapde the. Magar ek shakhs ke paas kapde nahi the. Mujh se ziyada use kapde ki zaroorat thi. Is liye maine ek Jodi kapde use de diye.”

\*\*\*\*\*

Jab Huzoor sallallāhu alaihi wa sallam wisaal se pehle bahot beemaar the tab bhi Hazrate Abu Zar ko yaad kiya. Jab aap aaye to Huzoor sallallāhu alaihi wa sallam ne Aap ko behad mohabbat ke saath gale lagaya.

\*\*\*\*\*

Huzoor sallallāhu alaihi wa sallam wisaal ke baad Aap behad gham ke saath Madeena chhodkar Shaam (Syria) aa gaye.

Hazrate Usmaan Ghani radiy-Allāhu ta’ala anhu ke zamaane me log maal o daulat ko jama karne me lag gaye aur usi ko sab kuchh samajhne lage aur dusro ke liye kharch karne par aitraaz karne lage. Ye dekhkar aap ko bahot ranj hua aur aap ne logo ko maal o daulat ki laalach se bachne ke liye naseehat ki aur farmaan e Rabbul aalameen bataaya ke

“Jo log sona-chaandi jama karte hain aur use ALLĀH ki raah me kharch nahi karte unhe dardnaak azaab ki khush-khabri suna do.”

(Qur’an : 9 Surah Tauba, Aayat 112)

\*\*\*\*\*

Ek baar Hazrate Ameer Muawiyah radiy-Allāhu ta’ala anhu ne Aap ko daawat di. Dopahar ko jab Aap khaane ke liye gaye to dastarkhwaan par tarah tarah ki lazeer khaane ki cheezen dekhkar aap ne farmaaya “Main ye sab nahi khaa sakta kyun ke Huzoor sallallāhu alaihi wa sallam ke zamaane se meri aadat hai ke main hafte bhar me ek saa’a jaau ka khaana khaata hu. Aur ALLĀH ki qasam main jab tak apne dost (Huzoor sallallāhu alaihi wa sallam) se mulaaqaat nahi kar lu tab tak zyada khaana nahi khaaunga.”

\*\*\*\*\*

Kuchh arse baad Aap Madeena munawwara waapas aaye.

Phir kuchh arse baad Hazrat Uṣmaan Ghani radiy-Allāhu ta'ala anhu ke mashware par Aap ko Madeena se baahar sukoonat pazeer hue.

Jab Iraqiyo ko ye pata chala to unho Aap ko paighaam bheja ke “Uṣmaan Ghani ne aap ke saath achha sulook nahi kiya hai. Aur hum log ye jaankar bahot gusse me hain. Agar aap chahe to hum Uṣmaan Ghani ke khilaaf baghaawat karne ke liye tayyaar hain.”

Yeh sunkar Aap ne farmaaya “Hazrate Uṣmaan Ghani ne mujh se jo bartav kiya hai woh mere liye mufeed hai. Aap logo ko is me dakhal dene ki koi zaroorat nahi hai aur na hi aap Hazrate Uṣmaan Ghani ke khilaaf koi qadam uthayenge. Kyun ki ALLĀH ta'ala un logo ki tauba qubool nahi farmazta jo apne Ameer ke khilaaf koi kaam karte hain.” Yeh sunkar Iraqi khaamosh ho gaye.

Aap ne apni baaqi zindagi Rabaza me saadgi ke saath guzaari.

\*\*\*\*\*

32 Hijri me Rabaza ke tamaam log Hajj ke liye gaye the. Hazrate Abu Zar ki biwi aur beti Aap ki khidmat ke liye rooke the. Aap ki biwi aap ka haal dekhkar rone lagi. Aap ne wajah puchhi to unho ne bataya “Yaha koi nahi hai aur mere paas aap ke kafan ke liye kapda nahi hai aur mujh me itni taaqat bhi nahi ke aap ki qabr tayyar kar saku.” Aap ne farmaaya “Tum fikr mat karo. Ek baar main chand ashaaba ke saath Huzoor sallallahu alaihi wa sallam ki mehfil me baitha tha. Tab aap ne farmaaya tha ke Tum me se ek shakhs ka sehra me inteqaal hoga tab musulmano ka ek giroh aakar us ki tajheez aur tadfeen karega. Aur main jaanta hu ke us mehfil me maujood tamaam ashaba ka inteqaal ho chukka hai aur sirf main hi baaqi hu. Aur yaha tanhai me inteqaal ke qareeb hu. Huzoor sallallahu alaihi wa sallam ki baat zaroor sach hogi aur musulmano ka giroh yaha aayega jo hamari madad karenge. Tum jaakar un ki raah dekho.” Aap ki biwi qareeb ki ek pahaadi par chadhkar logo ka intazaar karne lagi. Aap ne apni beti se farmaaya “Jo log mere janaaza ke liye yaha aane wale hain un ke liye khaana tayyar karke rakho.” Kuchh waqt baad kuchh log us taraf aate hue dikhaai diye. Jab wo qareeb aaye to aap ki biwi ne un se kaha “Aye mo'mino! Yaha ek musalman inteqaal ke qareeb hai. Meharbaani karke aap log us ke janaaza ke liye madad karo.” Un lgo ne puchha ke “Woh shakhs kaun hai?” Aap ki biwi ne kaha “Abu Zar Ghaffaari.” Yeh sunkar wo log beqaraar ho gaye aur jaldi se Aap ke khaime ki taraf aaye. Un ko dekhkar aap ne farmaaya “Main aap sab ka istaqbaal karta hu. Aap logo ke aane ki khushkhabari Huzoor sallallahu alaihi wa sallam ne barso pehle de di thi.” Phir farmaaya “Tum me se jo bhi siyaasi kaam me raha ho woh mujhe kafan na de.” Yeh sunkar ek Ansaari aage aaye aur farmaaya ‘Aye Rasool-Allāh sallallahu alaihi wa sallam ke dost! Maine kabhi siyaasat ke koi kaam me hissa nahi liya. Mere paas ek chaadar hai. Kya main aap ko kafan de sakta hu?” Yeh sunkar Aap ne apna sar hilaaya aur kaha “Bismillāhi Aamantu billāhi.” Aur Aap ki rooh parwaaz kar gai.

\*\*\*\*\*

Aap ka wisaal 3 Zil Hijjah 31 Hijri (652 A.D.) ko hua.

Aap ki namaaz e janaaza Hazrate Abdullāh ibn Mas'ood radiy-Allāhu ta'ala anhu ne padhaai.

Aap ka mazaar Al Rabatha (Hijaaz / Saudi Arabia) me hai.
